

A savvy bride's guide on what to send and when

by HelloLoveBlog.com

Wedding Date _____

6-8 months out: mail your save the date (destination wedding save the dates can be sent up to a year in advance)

4-6 months: Prepare to order invitations (Custom invitations can take up to 6 weeks to design and produce)

3 months: Get envelopes to the calligrapher and start assembling invitations

6-8 weeks: mail formal invitations

3 weeks: collect RSVPs (Response cards are typically requested back 3 weeks before the wedding.)

2 weeks: If you still haven't received a response start making those polite reminder calls to the stragglers.

To Do	When
Mail Save the Date	_____
